Challenge Story

Let's discover where you get energy.

Now, explore how you use energy.

Then, create your community's energy story.

Finally, share what you have learned and celebrate with others.

Session 2: Energy Sources

Hi! My name is Ruby.
Show me different ways to
get energy.

Draw and write your ideas.

Session 4: Energy Users

Hi! My name is Jacob.
Show different ways energy is
used in your community.

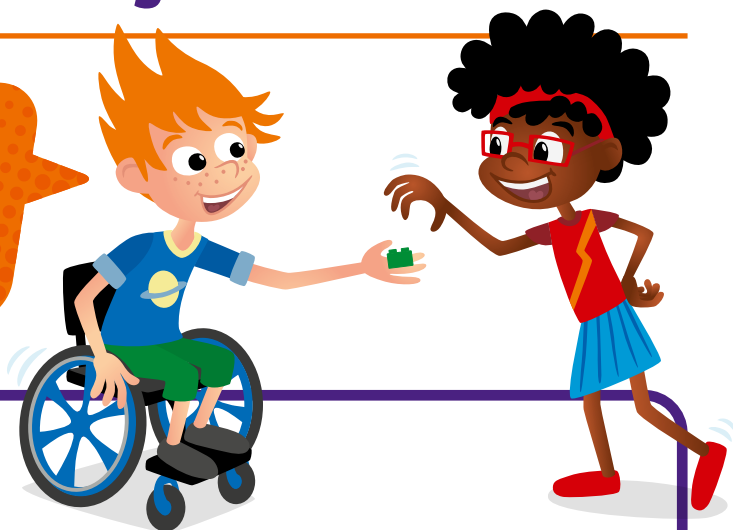

Draw your ideas.

Session 6: Your Energy Story

Show us your energy story,
how you get energy, and how
you use it where you live.

Draw and write your energy story.

Session 8: Future Energy

Time to be creative! Show us your future energy ideas.

Draw and write your ideas.

Session 10: Let's Celebrate

You made great builds and used teamwork. Please share them here. We hope you had as much fun as we did!

I will share...

ENERGY STORY

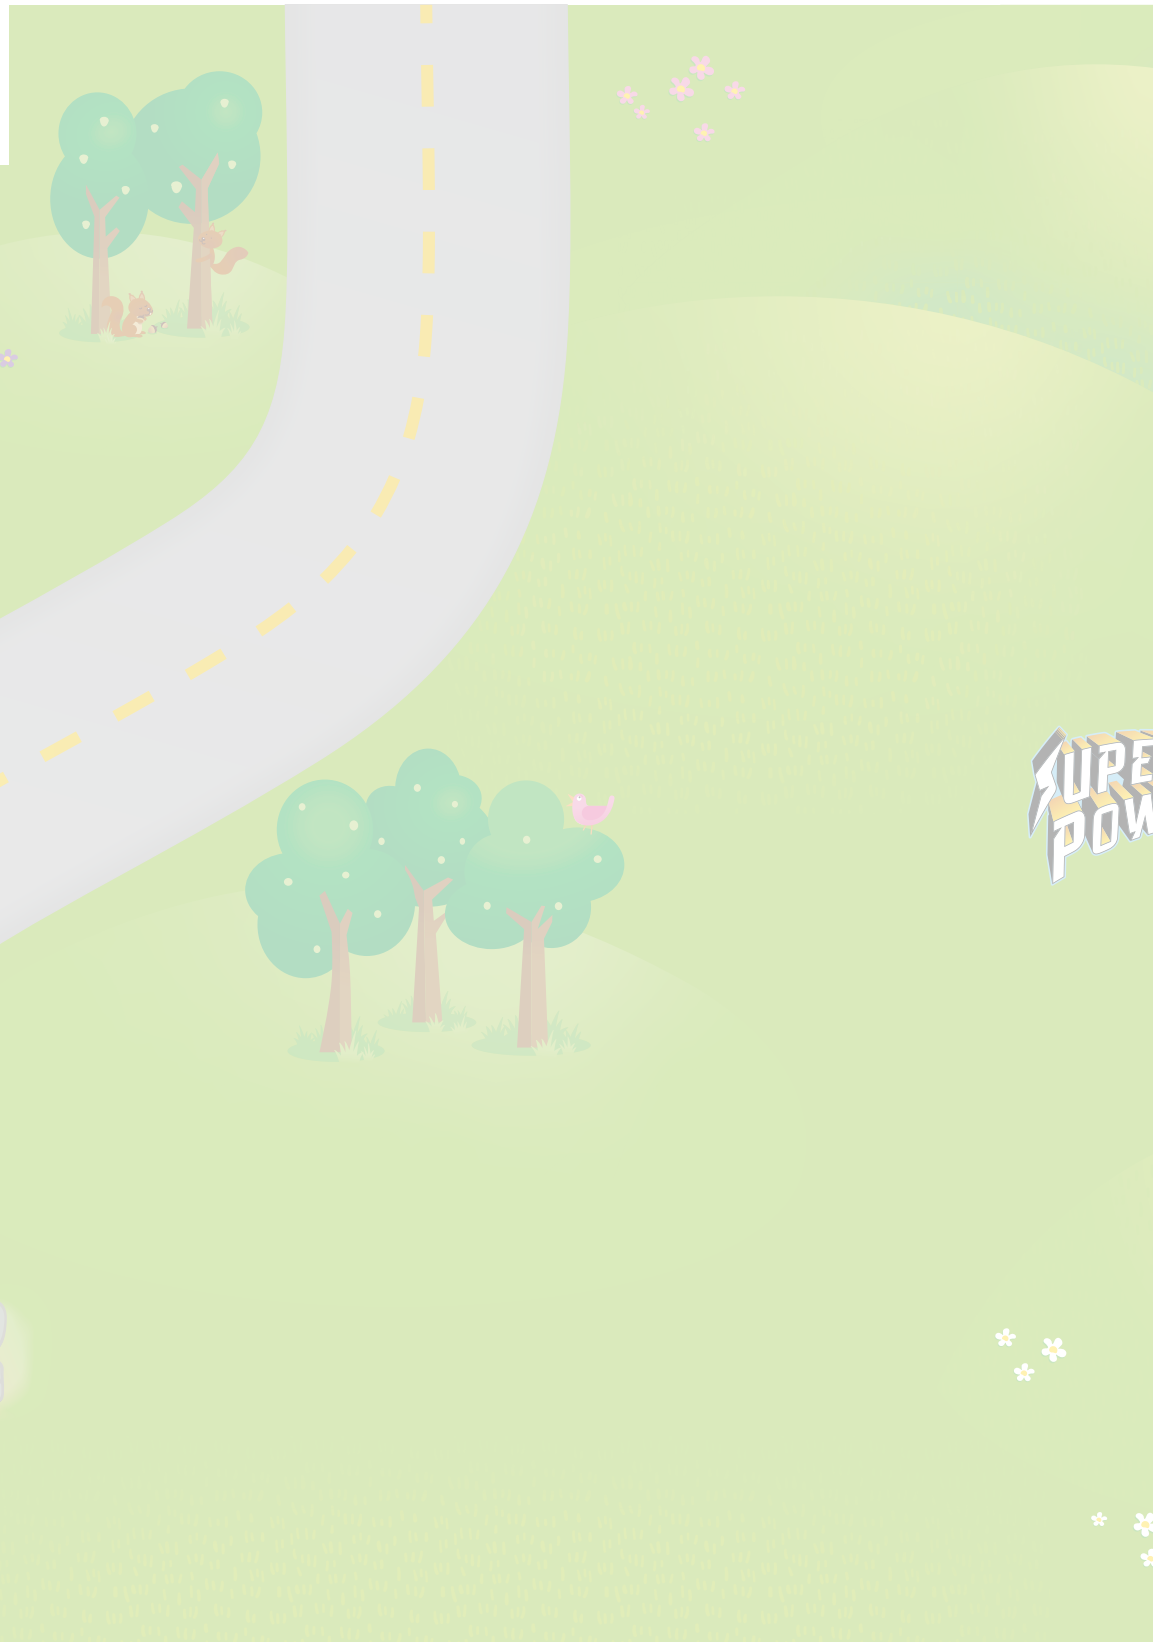

Energy Source

Energy Storage

Energy Distribution

Energy User

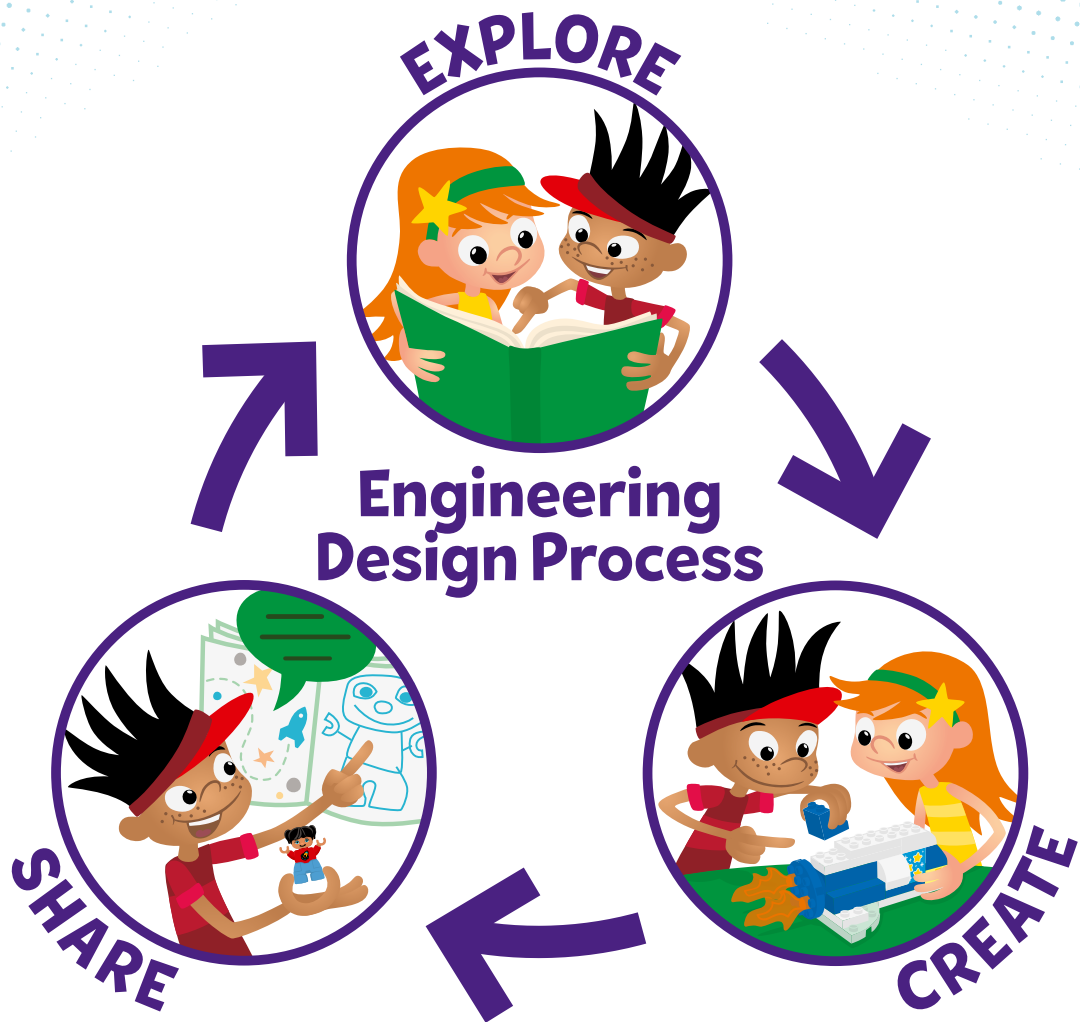

Use this spread to draw your designs and ideas!
